**To: Ontario Local Presidents with Transervice Units

Ontario Transervice members**

Greetings Brothers and Sisters,

This past week your Ontario Transervice Bargaining Committee met with the company back at the bargaining table.

We are please to announce we have reached a tentative agreement with the employer last evening on January 25, 2024.

The committee will now work to prepare for a member zoom meeting to share the agreement with you all and proceed with a ratification vote. A further communication will be sent out within the next few days, indicating the date of this meeting next week and how it will work.

We thank you for your patience and continued support during the bargaining process.

In Solidarity,
Unifor Bargaining Committee
